I am in an electric wheelchair because of my muscular dystrophy. This, combined with a general anxiety disorder, has prevented me from working since 2016. At this time, I am now confident in managing these challenges and am ready to re-enter the workforce, seeking a low-pressure environment to contribute effectively.

## Experience

### HAMILTON WOOD TYPE & PRINTING MUSEUM VOLUNTEER

Assisted with event preparations and materials, from stuffing envelopes and bags to creating designs both digitally printed and traditionally letterpress printed on a Showcard Proofing Press, and provided extensive support for the annual Wayzgoose conference.
